

# Catalysis, Chemistry & Green Chemistry Conference (CCGC-2025)

 **CCGC** | AUGUST  
**2025** | 06-07

**Theme:** Evolutions and Discoveries in Catalysis and  
Chemical Engineering

Come and Join us in:  
**Singapore**

# ■ ABOUT CCGC-2025

**Catalysis, Chemistry & Green Chemistry Conference (CCGC-2025)** is going to be held in Singapore during August 06-07, 2025. CCGC-2025 is a prestigious international event designed to bring together thought leaders, researchers, and industry professionals from across the globe to provide an unparalleled platform for exchanging knowledge, discussing innovative solutions, and fostering cross-disciplinary collaborations in the fields of catalysis and chemical engineering. With a focus on both academic research and practical industrial applications, the conference aims to bridge the gap between your career and the industry towards new frontiers of discovery and growth. We are delighted to invite you all to CCGC-2025 to engage in vibrant discussions, explore the latest developments, and contribute to the ongoing evolution of catalysis and chemical engineering.

## ■ REASONS TO ATTEND

- ▶ Networking Opportunities
- ▶ Knowledge Enhancement
- ▶ Professional Development
- ▶ Exposure to New Ideas
- ▶ Speaking Opportunities
- ▶ Publication Prospects
- ▶ Meet Influential Leaders
- ▶ Showcase Your Work
- ▶ Career Advancement
- ▶ Discover Funding Opportunities
- ▶ Industry and Market Insights
- ▶ Hands-on Workshops
- ▶ Certificate of Participation
- ▶ Find Research Collaborators
- ▶ Access to Exclusive Content

# CONFERENCE SESSIONS

## ■ Catalysis

- Homogeneous Catalysis
- Heterogeneous Catalysis for Energy
- Green Chemistry Catalysis
- Nanocatalysis
- Carbon Capture Catalysis
- Catalysis for Renewable Fuels
- Biocatalysis
- Catalyst Design
- Catalyst Deactivation
- AI in Catalysis

## ■ Chemistry and Chemical Engineering

- Chemical Reaction Engineering Advances
- Catalysis in Process Optimization
- Sustainable Chemical Engineering
- Nanotechnology in Chemical Engineering
- Process Design and Simulation
- Green Chemistry in Industry
- Biochemical Engineering and Bioprocessing
- Materials Chemistry for Engineering
- Separation Processes in Chemical Engineering
- Innovations in Polymer Chemistry

## ■ Green & Sustainable Chemistry

- Green Chemistry Practices
- Sustainable Chemical Technologies
- Renewable Energy & Catalysis
- Waste Reduction in Chemistry
- Bio-based Chemicals & Materials
- Green Solvents & Reactions
- Environmental Impact in Manufacturing
- Green Nanomaterials
- Circular Economy in Chemistry
- Life Cycle Analysis & Design

# OUR PROGRAM SCHEDULE

## Day 1, August 06, 2025

08:00-09:00	Registrations
09:00-09:30	Opening Ceremony
09:30-10:30	Keynote Session I
10:30-11:00	Refreshment Break
11:00-12:30	Keynote Session II
12:30-13:30	Lunch
13:30-15:00	Break Out Session I
15:00-15:30	Refreshment Break
15:30-18:00	Break Out Session II

## Day 2, August 07, 2025

09:00-10:30	Keynote Session III
10:30-11:00	Refreshment Break
11:00-12:30	Break Out Session III
12:30-13:30	Lunch
13:30 15:00	Poster Presentations
15:00-15:30	Refreshment Break
15:30-18:00	Break Out Session IV

## About Venue:

Singapore, often called the "Lion City," is a vibrant metropolis that seamlessly blends culture, innovation, and nature. At the heart of its iconic skyline stands Marina Bay Sands, a striking architectural marvel with its towering skyscrapers and the famous rooftop SkyPark, offering breathtaking views of the city and a spectacular infinity pool. Not far away lies Gardens by the Bay, a futuristic green oasis where technology and nature converge. Its towering Supertrees and the awe-inspiring Cloud Forest, which houses the world's tallest indoor waterfall, create an unforgettable experience for visitors.

## HOW TO REGISTER

In order to register for CCGC-2025, please complete the online form available on:

<https://catalysis-summit.com/register>

## REGISTRATION INCLUDES

### For In-Person Participants:

- ♦ Access (Entry) to all conference sessions, poster presentations
- ♦ Conference kit including name tag, program booklet and Abstract Book
- ♦ 2 Coffee breaks and Lunch for all the conference days
- ♦ Certificate accreditation from Organizing Committee

### For Virtual Participants:

- ♦ Access to all Presentations
- ♦ E-Abstract Book and Program
- ♦ E-Certificate for Presentation and Participation

## ABSTRACT SUBMISSION

You are kindly invited to submit your abstract CCGC-2025

Online Abstract Submission:

<https://catalysis-summit.com/call-for-abstract-submission>
