About Venue:

Switzerland, the host country for POEC-2025, is globally recognized for its excellence in healthcare, medical research, and commitment to sustainability. As a leading center for innovation, Switzerland provides the perfect setting to discuss advancements in public health and global healthcare challenges.

Renowned for its breathtaking landscapes, world-class infrastructure, and cutting-edge research institutions, Switzerland offers an inspiring environment for meaningful discussions and collaborations. The country is home to some of the most prestigious healthcare and medical organizations, making it an ideal venue for this global gathering.

The conference will take place at one of Switzerland's premier convention centers, offering state-of-the-art facilities designed to foster networking and knowledge exchange. Attendees will have the opportunity to experience Switzerland's rich cultural heritage, scenic beauty, and renowned hospitality, enhancing both their professional and personal experience at POEC-2025.
