OCTOBER 2025

Geneva, Switzerland

■ ABOUT NAPC-2025

Neurology, Addiction and Psychiatry Conference (NAPC-2025) is a premier global event dedicated to bringing together leading neurologists, neuroscientists, healthcare professionals, and researchers from across the globe to discuss critical topics within neurology. The conference will serve as a platform to explore cutting-edge research, innovative clinical approaches, and new technologies that are reshaping the way we understand and treat neurological disorders. With a comprehensive schedule of keynote presentations, workshops, and networking opportunities, the conference aims to inspire collaboration and foster growth in the neurological sciences. Attendees will have the chance to engage with the latest advancements and share their experiences in managing neurological diseases, making this an essential event for anyone in the field.

About Venue:

Nestled along the stunning shores of Lake Geneva and surrounded by the snow-capped Alps, Geneva stands as one of the world's most scenic and cosmopolitan cities. Renowned as a hub for diplomacy, science, and innovation, Geneva provides the perfect backdrop for a world-class conference experience.

Our event will take place in the heart of the city, offering easy access to Geneva's exceptional public transport, international airport, luxury hotels, and cultural landmarks. From the tranquil beauty of the lakefront to the historic charm of Old Town, participants will enjoy a vibrant setting that blends business with leisure.

Geneva is home to prestigious institutions such as the United Nations and CERN, reinforcing its reputation as a city where ideas shape the world. Whether you're attending keynote sessions, networking with global experts, or exploring the city's refined cuisine and culture, Geneva ensures an unforgettable stay.

We look forward to welcoming you to this inspiring and dynamic location.
